

Reduce Driving on Sept. 22 for Lower Stress & Cleaner Air in Central Indiana

Encourage your employees to take the pledge at carfreedayindy.com by September 20 @ noon. Employees can learn about the resources Commuter Connect has to assist in going car free!

Commuter Connect will promote you as one of Central Indiana's most environmentally responsible companies in our social media promotions, news releases and interviews. Today, good workers are hard to find and they're looking for companies that care about them and the world we live in. Show them that's YOU! The company with the most employee pledges will win a Coffee Party.

**DEADLINE TO PLEDGE:
SEPTEMBER 20 @ NOON**

Reach out. We are here to help!
